

HARDWARE AND ACCESSORIES**Plug Top 15A**

- Polycarb 3-pin white plug top
- 15 Amp

HW14**Dedicated Plug Top 15A**

- Polycarb 3-pin red plug top
- 15 Amp
- Used for dedicated / clean power sources

HW14-1**Plug Top Rubber 15A**

- Rubber coated 3-pin black plug top
- 15 Amp

HW14-2**TOOLS AND TEST METERS****Multimeter MTD10 Basic**

- 3.5 Digit LCD screen
- AC/DC Voltage 500V
- DC Current 10A
- Resistance 2M Ohms
- Data hold
- Overload protection

TL20**Multimeter MT21 Large LCD**

- 3.5 Digit, 2000 count LCD display
- Double molded plastic housing
- Category III over voltage protection at 600V
- Full ranges protection
- DCV, ACV, DCA, Ohm and battery test
- Diode check and continuity test

TL20-2**Tone And Probe Tester MTC40**

- Traces wires, cables in a bundle without damaging insulation
- Insulated inductive probe tip prevents shorting conductors
- Alligator clips for non-terminated cables and modular connectors
- Tests include wire trace, continuity test, clear/busy/ringing line test and tip/ring identification
