

**SECURITY SENSOR LIGHTS****2****Motion Sensor Light Control 2400WES-46****BD22**

- Passive infra red detection
- Up to 2200W controlled power
- 14m Detection range
- 180° Detection angle
- Adjustable auto reset time
- 220VAC Input

**Motion Sensor Light Halogen 500W****BD24**

- Up to 15m detection range
- 110° Horizontal detection angle
- Adjustable floodlight angle
- Adjustable PIR angle
- Adjustable timer and sensitivity
- 500W Max tube rating

**Motion Sensor Light Twin Spot PAR 38****BD28**

- 12m Detection range at 180°
- 500W Max incandescent load
- Adjustable timer, light level and sensitivity settings
- Adjustable PIR angle
- Passive infra red detection

**Globe Par 38 Clear 120W****BD30**

- Par 38 reflector clear flood light globe
- 120Watt 240VAC with 2000 hours lifetime
- Weatherproof with toughened glass
- Edison screw type
