

CCTV CABLES

Cable CAT5E UTP BC 100m

CB69

- Unshielded twisted pairs
- Solid Copper Conductor
- Category 5, 10BASE-T, 100BASE-TX, 1000BASE-T/TX

Also available in:

- 305m: **CB69-1**
- 500m: **CB69-2**

Cable CAT6E UTP BC 100m

CB70

- Unshielded twisted pairs
- Solid Copper Conductor
- Category 6, 10BASE-T, 100BASE-TX, 1000BASE-T/TX, 10GBASE-T

Also available in:

- 305m: **CB70-1**
- 500m: **CB70-2**

4

ACCESSORIES TOOLS AND TEST METERS

BNC Crimp Plug 6mm

CN01

- BNC Male bayonet connector
- Crimp type 6mm
- For use with RG59 75 Ohm coaxial cable (CB10)

BNC Plug Screw Fixing

CN01-2

- BNC Male bayonet connector
- Screw in type 6mm

BNC Female 6mm Crimp

CN01-3

- BNC Female connector
- Crimp type 6mm
- For use with RG59 75 Ohm coaxial cable (CB10)

BNC T Piece

CN02

- BNC T connector
- BNC Male to 2 BNC female
- For use with all 75 Ohm cabling systems

BNC In-Line Adaptor

CN03

- BNC Female to female junction connector
- For use with all 75 Ohm cabling systems

BNC Female RCA Male Adaptor

CN03-1

- CCTV Adaptor for connection of CCTV cameras to RCA AV inputs on TV's, video's etc.

BNC Male RCA Male Adaptor

CN03-2

- CCTV Adaptor for connection of CCTV cameras to RCA leads and AV connectors

ACCESSORIES, TOOLS AND TEST METERS

BNC Male RCA Female

CN03-3

- CCTV Adaptor for connection of CCTV cameras to RCA leads and AV connectors

**BNC Black Boots**

CN04

- BNC Rubber black boots for crimp type 6mm BNC connectors
- Covers crimped ferrule, neatens and strengthens

**DC Plug Lead Incl. Connector**

CN04-3

- Moulded 2.5mm DC plug with lead
- Electrical connector block for easy connection to power leads
- 300mm lead plug to connector

**DC Plug Incl. Terminal Connector Block**

CN04-1

- Professional appearance for power cabling
- Easier for camera installation, saves time with a more secure cable connection
- No electrical tapping, splicing, or crimping, only requires a small screw driver
- 2.1 x 5.5mm Male power plug connector
- Internal diameter of the plug: 2.1mm
- External diameter of the plug: 5.5mm
- Dimension: 39mm(L) x 13mm(W) x 12mm(H)

**DC Socket Incl. Terminal Connector Block**

CN04-5

- Professional appearance for power cabling
- Easier for camera installation, saves time with a more secure cable connection
- No electrical tapping, splicing, or crimping, only requires a small screw driver
- 5.5mm x 2.1mm Female power plug connector
- Internal diameter of the plug: 2.1mm
- External diameter of the plug: 5.5mm
- Dimension: 39mm(L) x 14mm(W) x 13mm(H)

**Connector RJ45 for CAT 5 Cable**

HW22-1

- RJ45 8 Pin Ethernet cable connector for CAT5

**Connector Boot RJ45 Grey**

HW22-3

- Grey rubber boot for RJ45 connector

**Crimping Tool 6mm RG59**

TL48

- Ratchet crimping tool for coaxial BNC/TNC connectors
- For RG58/59/62 coax cables

ACCESSORIES TOOLS AND TEST METERS

Crimping Tool RJ45 Connector

TL48-1

- Crimping tool for 8 pin RJ45 connectors
- Dual stripping / cutting blades for 6mm and 12mm

Coaxial Stripper - 5 / 6mm

TL49

- Stripping of RG58/59/62/RG6 coaxial cables
- 2 Step stripping process

Coaxial Stripper Rotary

TL49-1

- Rotary cable stripper for 4mm to 10mm diameter coaxial cable
- Adjustable, 3 blade model for single operation, inner and outer core stripping

Multimeter LAN Tester for CAT 5

TL22-1

- Measures DC/AC voltage, DC/AC current, resistance, continuity and diode.
- Test correct pin configuration of Ethernet cable via RG45/RJ11
- Remote test of Ethernet cables up to 300 meter length

Large CCTV Warning Sign

CC759

- 295mm x 210mm Plastic CCTV warning sign red and white
- Used as a visual warning that premises is protected by closed circuit television
- To be installed around and inside the relevant area where CCTV is present or installed.
- To personalise please enquire from sales staff
